PORTUSERS FAQ

15. I just collected my PSA Pass. What are the “DOs”?

All holders of PSA Pass must carry the Pass issued to them at all times in PSA restricted areas. All entrances and exits must be registered by the PSA Terminal Access Control System (TACS) at the access points. It will cause delays at the access points. Administrative fee of S\$16.05 (inclusive of GST) will be levied for replacement of passes due to mishandling.

17. Why is the expiry date on my PSA Pass shorter than the validity period which I applied for?
