

CIRCULAR NO. SHD_CIR_2026_003

15 July 2026

To: All Port Users

Slow Down Zone (25km/h) along Pasir Panjang Terminal (PPT) Link

1. As part of our ongoing efforts to enhance driver safety within the port, a 300 metres slowdown zone has been introduced along the stretch of road between Commercial Gate 4 (Incoming) and the Singapore Customs Scanning Station. (Please refer to the Appendix)
2. Speed limit along this slowdown zone is reduced to 25km/h.
3. Speed limit signs have been installed along PPT Link, with the speed limit also clearly painted on the road. The start of the slowdown zone is marked by two red bars painted on the road.
4. Please ensure that your drivers comply with the revised speed limit.
5. For your compliance please.
