PSA/TUAS/CIRCULAR/YARD/2026/007

19th June 2026

To: All Port Users

**COMMENCEMENT OF ECOSYSTEM TESTING OF IGV IN TUAS LIVING LAB, AND ROAD
CONNECTING BETWEEN TUAS LIVING LAB AND TUAS TERMINAL 2 END FEED**

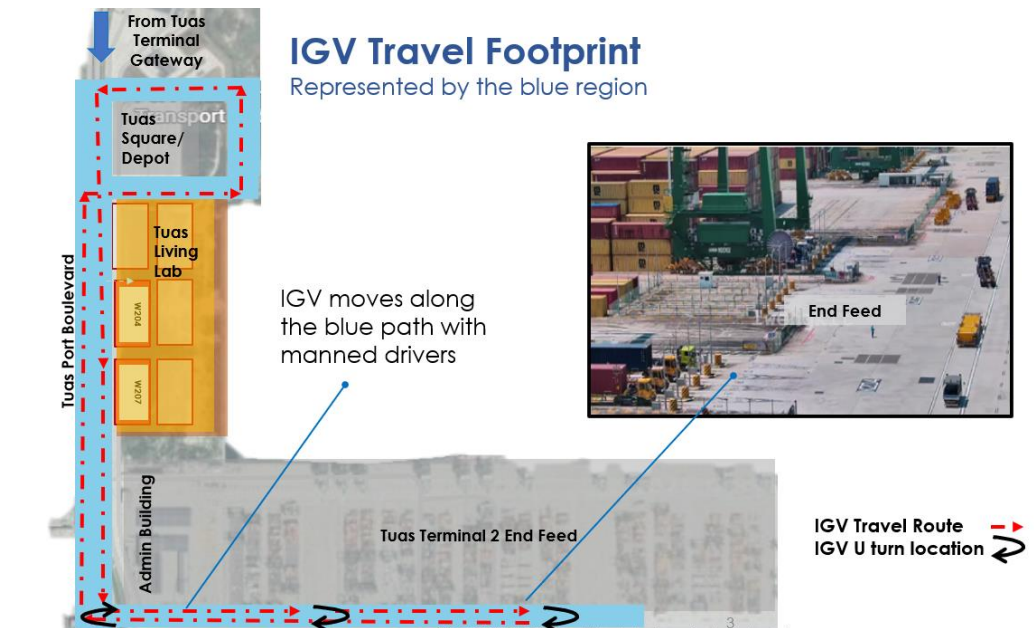

1. This circular serves to inform all port users on the commencement of Ecosystem Testing of Intelligent Guided Vehicles (IGVs) in Tuas Terminal 2 (TT2) Western Berth also known as Tuas Living Lab (TLL), with effect from 1 July 2026. (Appendix A)
2. As part of the testing, IGVs will be operating:
 - Within Tuas Living Lab (TLL); and
 - Along connecting roads between TLL and TT2 (F2N/S) via the End Feed blocks, including Tuas Port Boulevard and the TT2 E-W spine.
3. Kindly note the following:
 - There will be no changes to existing traffic
 - Access to TLL remains strictly restricted to authorized personnel and vehicles only.
 - Other than direct entry/exit, IGV may execute “reverse” maneuvers at the End Feed area (Appendix B)
 - Make sure IGV comes to a complete stop before crossing the pedestrian crossing
4. For information and strict compliance

Roger Ng
ASSISTANT VICE PRESIDENT (PODCTA)
For TUAS PORT
